Personal Umbrella Policy

"We want to
protect
everything
we've
WORKED SO HARD
for."

“Could a lawsuit jeopardize your LIFESTYLE?”

Accidents happen. And lawsuits sometimes follow. Of course, your auto and home insurance helps protect you — up to your policy limits — if you have a covered loss.

But what if your legal liability exceeds your policy limits? Or someone sues you for a claim that's not covered by your other policies?

That's where a personal umbrella policy (PUP) from Allstate can help.

More protection in more places.

An Allstate Personal Umbrella Policy (PUP) works with your existing liability coverage to give you additional protection.

ADDITIONAL PROTECTION.

Auto and homeowners policies don't cover certain types of incidents, like those alleging slander. But a personal umbrella policy does — as well as a variety of claims not covered by other policies.

YOUR COVERAGE GOES WITH YOU.

You're protected no matter where you are — even when you're out of the country.

YOU WON'T HAVE TO GO TO COURT ALONE.

If you're sued over a covered incident, Allstate will retain and pay for an attorney to represent you.

ALLSTATE PAYS ON YOUR BEHALF.

If you have a covered claim, you won't have to pay out of your own pocket first.

YOU'LL BE REIMBURSED FOR LOST WAGES.

You'll be reimbursed when you have to miss work to appear in court, up to the limits your policy specifies.

Is a PUP right for you?

Do you have a home, a boat, savings or investments? All this — and more — could potentially be at risk if you're sued.

You may also want to consider a PUP if you have a young driver in your household, volunteer in the community, or bear an increased risk of liability for any other reason.

Choose a limit to suit your needs and budget.

Allstate offers a range of coverage amounts in \$1 million increments, up to a maximum limit of \$5 million. And all this extra protection won't break your budget. Your agent can help you decide how much coverage is right for you.

Protect what matters most.
